

Centennial Sweethearts

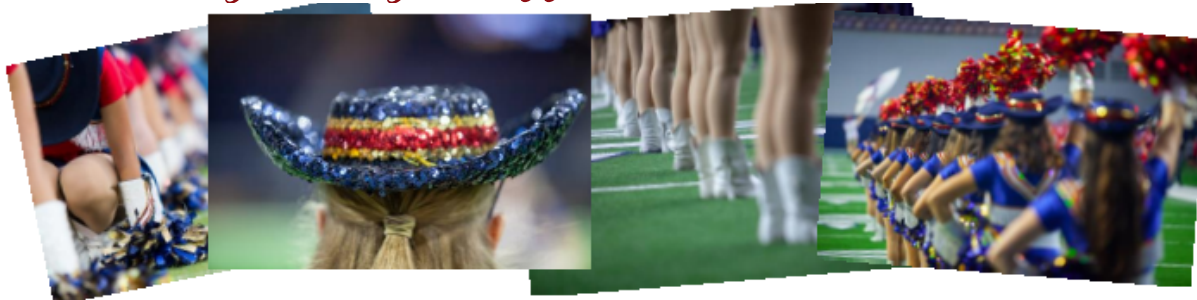

We appreciate your willingness to consider supporting the 2021-2022 Centennial Sweethearts! We realize you are approached by many worthy organizations, so we are thrilled that you want to partner your dollars in support of our amazing team. As we head into our 19th year, we look forward to continuing the tradition of performing at Varsity Football halftime shows, pep rallies, the annual Frisco Parade, Girls' and Boys' basketball games, contests, and other community events.

In addition to their performance obligations, the Sweethearts participate in community service projects throughout the school year, including marching in the community parade as a team and individual team members donating their time, talents and own dollars to causes close to their hearts.

The Sweethearts have an active booster club, the CSBC, which strives to provide financial support to the dance team through fundraising. The goal of CSBC is to provide scholarships to graduating senior Sweethearts and contribute to a Sweetheart travel fund that will allow the team to travel every four years. Last year, we were able to award over \$1500 in scholarships to our six graduating seniors. In addition, the Booster Club has a general fund to support the team and director throughout the year with needs such as costumes, meals, locker room supplies, etc.

When you decide to become a Sweetheart sponsor, not only are you supporting the Centennial Sweetheart Dance team, you are also garnering publicity for your company! Please see the attached form for a detailed listing of benefits of being a sponsor. We'd love for you to become a part of the excitement that comes with being a part of the Centennial High School family!

Thank you for your support of the CHS Sweethearts!
